

**Yasmin Kollektiv e.V.** is a small NGO founded in 2020 with the aim to challenge "oriental" stereotypes and the image of a crisis-ridden region, to do anti-racist work and to advocate for a diverse, tolerant and feminist society. For the Podcast Scholarship Program Aswatona that supports podcasters and audio journalists in the region of West Asia and North Africa we are looking for a Videographer (freelance/20h per week).

**Your future Tasks:**

- Create Videos for the Aswatona Social Media Channels (Instagram, YT, Facebook, TikTok)
- Create Promotion Video for Aswatona Project for Website
- Weekly Meetings with Regional Coordinator and Social Media Team

**Qualification:**

- Fluent in English & Arabic
- Experience in Video Editing and Audio Editing Able to work independently and reliable
- Able to work in an international team and via online platforms
- Very good Communication Skills

**What we offer:**

- Fair Salary
- Six-month corporation contract for freelancer (until October 2024)
- Flat work hierarchy in an international team of eight team members
